## **PUBLIC SERVICE ANNOUNCEMENT**

### **Reminder - Complete closure Montreal-bound Mercier Bridge tonight**

**(Kahnawà:ke – 28, Kentenkhó:wa/November 2014)** The Mohawk Council of Kahnawà:ke (MCK) is reminding road users that the Ministère des Transport du Québec will completely close both Montreal-bound lanes of the Mercier Bridge to traffic **tonight** (Friday, November 28) at **11:59pm until Saturday, November 29<sup>th</sup> at 9pm.**

Both Kahnawà:ke-bound lanes will remain open.

The closure is necessary due to the reconstruction of the Monette overpass on the LaSalle side of the bridge. Use of the Champlain or Jacques Cartier Bridges is encouraged to gain access to the island of Montreal.

Please note that the left lane of the Montreal-bound Bridge continues to be narrowed to 3.15 metres in the work area of the Monette overpass until the reconstruction is completed. Trucks are prohibited from using the left lane on the Montreal-bound bridge.

The MCK reminds the public that works/closures on the Mercier Bridge are subject to change due to weather conditions, operational constraints or work progression, and that it does not take part in the scheduling or cancellation of such works.

#### **SUGGESTED INSTRUCTIONS FOR MEDIA**
