COMMUNIQUÉ

Vaccination Clinic for 70+ booster and first dose for children aged 5-11

For immediate release

(Kahnawake – 1, Tsothóhrha/December 2021) The Kateri Memorial Hospital Centre (KMHC) and Public Safety Commission are pleased to announce a Vaccination Clinic for COVID-19 booster shots for those aged 70 and over, as well as the first dose for children 5 to 11 years of age. **Walk-ins will be accepted** or appointments can be made [by clicking here](#).

These Vaccination Clinics will be held at the **Knights of Columbus Hall** on the following dates:

70+ boosters: Moderna and Pfizer (must be at least 6 months since 2nd dose) and Seasonal Flu Shot:

- Friday, December 3: **12pm to 8pm**
- Saturday, December 4: **9am to 12pm**

First dose for children aged 5-11: (*must be accompanied by a parent or guardian)

- Saturday, December 4: **1pm to 4:30pm**

(Please note: previously announced Vaccination Clinic for 5-11 year age group on December 3rd, has been cancelled)

*A parent/guardian must accompany the child in order to provide informed consent. It is recommended to keep other children/family members at home in an effort to keep the number of people within the vaccination clinic at a minimum.

If a parent/guardian cannot attend the vaccination clinic with their child, a written consent form must be completed and sent with the adult accompanying the child.

A consent form can be downloaded [by clicking here](#).

As previously announced by the Kahnawake Education Center, vaccinations for this age group are not mandatory to attend any school in Kahnawà:ke. However, it is highly encouraged to have your children vaccinated to further decrease their level of risk of COVID-19 complications.
