Work on road behind Hospital until December 18th

(Kahnawake – 10, Tsothórrha/December 2015) The Mohawk Council of Kahnawà:ke would like to inform road users that a portion of the road (Hospital Lane) behind the Kateri Memorial Hospital Centre (KMHC) will be restricted to local traffic beginning today, until Friday, December 18th.

Due to the work area at the intersection of Hospital Lane and Rabaska Road, large vehicles such as trucks and buses are advised to approach the KMHC from River Road.

As part of the KMHC Expansion Project, the contractor, EBC, will carry out trenching work in the area.

Proper signage will be erected on-site to ensure smooth circulation of traffic during the work.

For more information, please contact the Public Safety Unit (formerly Community Protection) at (450) 632-0635.
