Job Title:	KLO Liaison Officer
Division:	Kahnawà:ke Labor Office
Reports To:	KLO Occupational Safety and Construction Manager
Name of Incumbent:	TBD
Purpose:	
To act as the liaison with the different agencies of Quebec (CNESST, CCQ, RBQ) in order to understand the processes governed by the Quebec Labor Regime as well as working with Tewaohni'saktha assisting individual Kahnawà:ke workers or contractors looking to obtain a CCQ certification or RBQ license.	
Cultural Identity Attributes:	
This individual is a technician who places emphasis on standard operating procedures and quality control, and is comfortable communicating within a technical environment. The Officer is confident in handling variety, adept in managing multiple initiatives, possesses the ability to liaise at all levels, while placing primary focus on achieving best results.	
Roles & Responsibilities	
KLO Coordinator for the Workforce Mobility Group	
<ul style="list-style-type: none"> • Coordinate the work of the Multi-organizational Group comprised of Tewaohni'saktha, CCQ and RBQ • Assess and wherever culturally feasible, harmonize the qualifications/competency criteria and processes between Kahnawà:ke and Quebec. • Identify, develop and implement specific training requirements in the Kahnawà:ke system that better enable Kahnawà:ke workers to be eligible for Quebec Certifications and Licenses. • Develop a coordinated training process with Tewaohni'saktha and Quebec for Kahnawà:ke workers and contractors seeking Quebec certifications and/or licenses. • Develop and design a coordinated process with CNESST and the unions when a Kahnawà:ke contractor applies the Quebec equivalence of the <i>Fair Wage Agreement</i> as per the choice of the worker including the choice to join or not to join a union. • Develop formal reporting, tracking, and analytical processes. • Develop collaborative relationships with the different entities • Track the success rates of Kahnawà:ke workers and contractors entering the Quebec Construction Industry. 	

Research, analysis, comparison and development

- Research relevant laws in the Canadian and Quebec Construction Industries
- Research labor relations in Quebec (including working conditions, collective bargaining agreements, unions and employer's associations).
- Research rules governing access to the Construction Industry in Quebec
- Compare analysis to KLO conditions, agreements, etc.
- Identify and develop strategies to address any difference in the laws or regulations inhibiting Kahnawà:ke workers to be eligible for Quebec Certifications and Licenses.
- Seek funding opportunities from the different levels of government as well as private institutions to advance the efforts of the KLO and individuals in gaining access to the construction industry.
- Develop specific opportunities including programs, conferences or initiatives to result from the funding identified.

To assist individual Kahnawà:ke workers or contractors looking to obtain a CCQ certification or RBQ license.

- Understanding the current qualifications and standards of the Quebec Regime.
- Determining what would be required of the individual to meet Quebec's rules and standards.
- Working as part of a coordinated process with Tewatohnhi'saktha and Quebec to assist Kahnawà:ke workers and contractors seeking Quebec certifications and/or licenses.
- Communicating with and assisting the Kahnawà:ke worker or contractor in addressing them.

To assist in Communications and Education initiatives to the community

- Inform the community of the process governed by Quebec Regimes
- Inform the community of the comparison between the qualification/competency criteria and processes of both Kahnawà:ke and Quebec
- Inform the community of Quebec training opportunities
- Recommends and provides input to policy changes/improvements and the development of a Kahnawà:ke Labor Law.

The statements herein reflect general details to describe the principle functions for this job, and should not be considered an all-inclusive listing of work requirements. Individuals may perform other duties or be assigned projects associated with these responsibilities as directed by their immediate supervisor.

Accountability/Authority

The Officer has Decision Making authority in the following areas:

- Determine revisions to the Kahnawà:ke criteria and process that better enable Kahnawà:ke workers to be eligible for Quebec Certifications and Licenses
